Point4

An assortment of gaming goods not found in other stores

Among the PCs and peripherals handled on the 3rd and 4th floors, the gaming goods that are in high demand due to the popularity of e-sports in recent years are attracting a lot of attention. An assortment of gaming goods such as PCs, chairs, and accessories not found in other stores. Items that are inevitably sold out or difficult to obtain may be restocked, so be sure to check back often!

Point5

Fully equipped reference room, the centerpiece of the audio floor

The centerpiece of the video/audio floor on the 5th floor is the audio listening room, the Reference Room. You can also check high-end models of speakers and amplifiers from Japan and overseas, and examine them until you are satisfied. The point is the lineup and services that satisfy not only beginners but also discerning experts.

A new landmark appears on Nippombashisuji Shopping Street!

Joshin Nippombashi store

November 2022. The Nippombashi store, one of the largest Joshin stores, has been smartly reborn under the concept of "Modern & Residence", and the product lineup and facilities have been greatly scaled up. Here, focus on five points worthy of special mention.

MAP [D4]

Joshin Nippombashi store

☎ 06-6634-1211

📍 5-9-5 Nippombashi, Naniwa-ku, Osaka-shi

🕒 10:00 - 20:00 ※Closed on January 1st

Point1

Boasting an urban and sophisticated exterior and interior

With the family in mind, it has been renewed with an urban and sophisticated design. The exterior has a random monotone color and wood grain louvers to express "Modern & Residence." The interior is unified with a natural atmosphere of wood grain. Rest areas are set up near the escalators, so that the whole family can enjoy shopping in a comfortable space.

Point2

A must-see for foreign tourists! Great selection of toys and video games

On the first floor facing the shopping street, you will find a surprising selection of the latest toys and video games. In the back of the store, there is also a display corner for successive Sentai hero robots and Kamen Rider transformation belts. In addition, many domestic and brand watches are also sold. It is a floor that even foreign tourists visiting Japan will be glued to.

Point3

A maniac lineup for experts!

"Diskpia" on the 2nd floor is attractive for its enthusiastic selection of CDs, including CDs from the local jazz label "Sawano Kobo" in Naniwa Ward, which is also supported by jazz lovers. It also has a sample listening corner for records, so you can select your favorite record.

Joshin's first self-checkout

Three self-checkout counters equipped with RFID are installed. This is Joshin's first attempt and enables smooth accounting.
