It's like a secret base for adults!

In addition to second-hand toy guns, new parts, survival game equipment, and military wear, the store is filled with real US military equipment and valuable fighter pilot helmets purchased directly from the United States! The interior of the store is like an "adult secret base". Focusing on vintage model guns, the latest electric guns and gas guns are also being purchased at high prices.

Re-boom due to demand for stay-at-home!
