TAKOYAKI GOONIES

Home of the masterful takoyaki chef videos that went viral on social media!

An American retro-esque takoyaki restaurant where anime and subculture lovers gather in Nipponbashi. The store also features an takoya menu and a large selection of drinks.

In Nipponbashi's annual cosplay event, the manager's takoyaki cooking performance in cosplay is always a major hit! The store has also done several anime and voice actor collaborations, and has set up booths in other events.

Takoyaki Goonies is also quite popular with celebrities, their autographs lining the walls of the store's interior.

9 different sauce variations featuring our best-seller salt mayo, plum & honey, a favorite with our female customers, as well as others!

There's also the special menu "tamatabako" where you can mix and match 4 sauce variations to enjoy!

During the 2023 edition of the world's largest Japanese food contest held annually in New York City, USA, we won first place in the takoyaki category and scored second place overall in the Kōchūgan category.
